VHI Hosts 10th Annual Welcome Back Legislative Breakfast

On January 21, 2015, Virginia Health Information (VHI) hosted its 10th Annual Breakfast at the General Assembly to welcome back legislators and staff. Nearly 150 legislators and staff members stopped by the 5th Floor East Conference Room to ask questions of VHI staff as well as enjoy breakfast catered by Meriwether Godsey.

While lawmakers attended the breakfast, VHI staff members were on hand to share updates on reporting tools, patient level data, the All Payers Claims Database (APCD) and Virginia's Psychiatric Bed Registry. Dr. Cleopatra Booker, Mental Health Facility Operations Specialist at the Virginia Department of Behavioral Health & Developmental Services, also attended to answer questions about Virginia's Psychiatric Bed Registry.

During the event, VHI's President, Kay Lewis; VHI's Executive Director, Michael Lundberg; and VHI's Operations Manager, Deborah Waite; shared the organization's accomplishments over the past year as well as ways to continue to provide health information that benefits the Commonwealth.
